FREEDOM

# EXPANDING YOUR HORIZONS

Headquartered in Sarasota, Florida, the Center for Faith and Freedom has taken its multi-media outreach to new horizons on an international scale. From the United States to Uganda, Tanzania, Russia and beyond, the Center's core program service, Salt & Light Productions, creates cutting edge videos for selected non-profit organizations.

# PASSION WITH A PURPOSE

*"At the Center for Faith and Freedom, we are addressing many of the social and economic issues confronting our citizens and have been charged with the responsibility of helping families in crisis. We take seriously our obligation to serve those individuals that may have been forgotten or overlooked by society. During this past year our team of photo-journalists traveled to Uganda, Tanzania and Russia, fulfilling the Center's humanitarian mission to support those in need around the globe."*
